Author Correction: High-throughput microCT scanning of small specimens: preparation, packing, parameters and post-processing

Christy A. Hipsley, Rocio Aguilar, Jay R. Black & Scott A. Hocknull

Correction to: *Scientific Reports* <https://doi.org/10.1038/s41598-020-70970-7>, published online 17 August 2020

In this Article, the legend of Figure 4 is incorrect:

“(c) mandible of the rainforest rodent *Pogonomys* from the Riversleigh World Heritage site with molars colour coded and jaw bone rendered semi-transparent,”

should read:

“(c) mandible of the rainforest rodent *Pogonomys* from the Mount Etna Caves National Park with molars colour coded and jaw bone rendered semi-transparent,”
