Correction to: *Nature Communications* <https://doi.org/10.1038/s41467-019-12472-3>, published online 3 October 2019.

In the original version of this Article the ethical registration number permitting collection of amniotic membranes in the Human samples subsection of the “Methods” section was mis-cited as 2017-00101. The correct number refers to the pre-Bassec study PB_2017-00101, which is not listed in the Register of Research Projects in Switzerland (RAPS). The old reference number of this study is 14-273 and can be found in a list of protocols submitted before 2015 (<https://www.ge.ch/document/liste-protocoles-soumis-2015>).

This has been corrected in both the PDF and HTML versions of the Article.
