((Text for erratum to article 10.1007/s00198-017-4100-6))

Due to an error in typesetting, in the side headings of Table 2 the sub-heading "White" under "Ethnicity" was incorrectly changed to "Yes".

The corrected table is reproduced here.

((SPi: Please insert the table with “White” instead of “Yes” as the first subheading under "Ethnicity"))
